# Correction to: Computational analysis of viable parameter regions in models of synthetic biological systems

Žiga Pušnik, Miha Mraz, Nikolaj Zimic and Miha Moškon \*

**Correction to: J Biol Eng (2019) 13:75**

The original version of this article [1] unfortunately included a typographical error to author Žiga Pušnik's name.

The name was inadvertently spelled with a small instead of a capital letter. The correct name should be capitalized.

This has been included in the author list of this Correction article and is already updated in the original article.
